BACKGROUND(Includes Description and justification)	In 2016 Town staff presented a proposal to contracting with a solid waste company to provide solid waste (trash and recycling) to town residents. The RFP/Bid was sent out in June and bids were opened in late June. Ray's Trash service was the low bid. The service would provide a single rate for trash and recycling pickup, add heavy trash pickup days to the town's list of services and establish a local recycling center at a location yet to be determined in Whitestown. The service starts at \$10.65 per month for year 1 and increases to \$11.50 per month in year 5.
